

## - OUR DRINKS PHILOSOPHY -

Coppersmith has always been passionate about providing the best range of wines, beers and spirits. Sourcing predominately from Victoria and Western Australia is key in compiling our drinks list.

Our wine selection must meet three key criteria, the best possible wine per region, the most interesting wines per varietal & the wine must be of quality and value.

Our beer selection is based on sourcing unique and varied beers from Victoria and Western Australia, to represent where we are and where we have come from.

Our spirits selection is one of diversity and complexity. Selecting the finest gins, rums, vodkas and liqueurs to tempt all tastes and budgets, whether it is an aperitif to start your day or a digestive to round out your night.
